ASSEMBLY INSTRUCTIONS

1. Cut out all pieces carefully on solid black lines.
2. Use a small amount of white glue for gluing tabs.
3. Fold all dotted lines crisply.
4. Fold tab on RIGHT ANTLER forward and glue to BODY on spot marked R.
5. Fold tab on LEFT ANTLER forward and glue to BODY on spot marked L.
6. Fold tab A inward and glue inside BODY.
7. Fold tabs B and C inward and glue inside BODY.
8. Fold BACKDROP in half to make it stand up.
9. Roll TREE into cone shape and glue tab D inside.
10. Pat yourself on the back because you did it!
